Great, thanks! We'll be looking for the revisions the second week of November. Please copy Tami and Mark Jen. I will be out of the office that week.

No, haven't heard from them. One way or another we'll get you the draft revisions. Second week in November okay.

I'm in Washington DC right now. Walked past the EPA building this morning. Impressive

Hi Alan, Have you heard from NatureServe? They provided us a draft budget and workplan so I assume they got your input and will get back to you on that. Assuming you heard from them, will you be able to get us a revision by early November? Please let me know. Thanks!

I'm finishing the first phase of a Native American Rights Fund project concerning the Chuitna River Coal project and village of Tyonek on Cook Inlet and will dive into the Bristol Bay revisions soon. Haven't heard from NatureServe yet, however.

Alan, Catherine, Just checking in to see if you've had a chance to look at all of the required revisions for the appendix and if you have any questions. We need to discuss schedule-

Ex. 5 - Deliberative

Ex. 5 - Deliberative

I will be out of the office beginning tomorrow until next Thurs, but Tami will be back in so she can be available to answer questions in the meantime.
